# TESTIMONIALS

"I have been working with Clare for a year now and what a year has it been! Clare has helped me unblock memories that were a heavy baggage to carry in my current life, she helped me address issues I suppressed for years, she helped me heal, helped me see that I'm loved and the little girl inside of me is an independent fearless woman.

I feel free, this is the best way to describe the gratitude

I have for my journey with Clare. She has a very calming motherly energy but at the same time I've seen her as a friend and other times as a sister helping me pave my path towards my truth.

Clare has helped me understand and trust my inner voice, giving it power! Forever grateful and looking forward to my next steps in 2022 with her!"

~ Kristina Khusseyin

# TESTIMONIALS

"The support Clare has given me has been the catalyst  
of expansion in my life.

~ Abigail Clayton

"Clare has a beautiful, sensual and loving energy that  
really allowed me to open up and trust in her abilities  
and in the messages that came through. Since working  
with her on a regular basis I have really felt huge  
energetic shifts in myself and in my life, and I highly  
recommend her to everyone who is feeling stuck, or  
needing support in their lives"

~ Sarah Turner

# TESTIMONIALS

"I started working with Clare over a year ago and what a journey/transformation it has been! When I commenced my journey working with Clare I wanted to work on me, to heal old wounds and release blockages. Along the way I forgave myself and those who have done wrong by me. I started seeing and looking at things differently. The biggest takeaway, I wanted to step back into my intuitive self which I have and will continue to work on.

Clare is an Angel! She is one of a kind.

If you want to work on being the best version of yourself, this is the Angel you should connect and be guided by."

~ Krystl Schoettler
